## *Renewing California Parks*

### **SATURDAY MAY 8<sup>TH</sup>, 2010**

A golden opportunity for all California members and friends of The Church of Jesus Christ of Latter-day Saints to provide service to their communities in this great state. At a time of economic challenge for local and state governments, the 2010 annual Mormon Helping Hands day of service will focus on renewing and beautifying city, county and state parks in California. Projects will take place across the entire state on May 8th, 2010 with participants wearing the distinctive yellow Mormon Helping Hands vests.
